DID YOU KNOW? The Church of England receives no government funding other than some tax concessions, and our churches are dependent upon money given or raised locally to fund their ministry and upkeep, including heating, insurance and maintenance.

HOW CAN WE GIVE? Most of our worshippers and wider supporters give regularly by standing order. The practice of passing round an offertory plate during services raises a significant amount of additional money and is a demonstration of commitment and generosity, which visitors can join in with. *If you would like to find out more about contributing by standing-order, or to change an existing order, please contact Max in confidence via treasurer@wivertoninthevale.co.uk*
