Mark 8: 31-end

LOCKDOWN LETTERS *From The Rectory and Beyond*

by Rev Canon Keith Turner

“Do not conform to the pattern of this world, but be transformed by the renewing of your mind.” (Romans 12.2)

During Lent, we are presented with a time to make adjustments in our lives, to open ourselves afresh to the Holy Spirit. Here are four words beginning with ‘R’ on which to ponder, each accompanied by a reference to a song or hymn.

Lent is the ‘springtime of the soul’ and spring-cleaning involves **Repentance!** Gideon Heugh in a recent Tearfund ‘Lenten thought’ reminds us that in Hebrew, the word we translate ‘repent’ is ‘teshuva’ which means literally ‘return’ ... ‘to the vibrant, abundant life that God has made available to us’. On Ash Wednesday we sang Dougie Brown’s song which begins: [‘River wash over me](#); cleanse me and make me new’.

We are certainly in need of being lifted out of an atmosphere of depression. Lent is a season of ‘spiritual thinking’, not in an academic way but in a way in which we experience **Revival** or reenergizing. Jane and I were very moved by a song in Songs of Praise last Sunday because it spoke so powerfully in this pandemic – ‘Can You Hear Me?’ composed by Thomas Hewitt Jones – [listen to it on YouTube!](#)

A few years ago, I rashly offered my mother-in-law to ‘tidy up’ a wooden table she was contemplating getting rid of. As I sanded off the years of varnish, a really beautiful inlaid surface came into view. And this reminds me of **Restoration** in a Christian sense – allowing what is ‘old’ to be subject to refurbishment so that what has become dull and lifeless is given new life. Timothy Dudley-Smith wrote: [‘Lord for ourselves; in living power remake us – self on the cross and Christ upon the throne.’](#)

Finally, we remind ourselves that we need to expect God to work in new ways in this generation. This is **Renewal**. Restoration and renewal should walk hand in hand. One of my favourite hymns is ‘O thou who camest from above’ by Charles Wesley. Verse 3: ‘Jesus, confirm my heart’s desire to work, and speak, and think for Thee; still let me guard the holy fire, and still stir up Thy gift in me’. There is a [wonderful setting for saxophone and organ by Christian Forshaw](#) in his collection ‘Renouncement’.

Four words, then, to think about for refreshment during Lent: **repentance, revival, restoration and renewal.**

AN EASTER APPEAL FOR OUR LOCAL FREE SCHOOL MEAL FAMILIES

Before I move onto the reason for reaching out to you, I just wanted once again to express our thanks for your kindness and generosity in response to the Christmas appeal. The amount of food we collected was phenomenal and helped families across multiple villages at a time of great need and hardship. In case you were wondering whether your contribution made a difference, without mentioning any names, I just wanted to share with you a note of thanks we received from one of the families.

“To everybody involved in the kindest donation of the Christmas Hamper! I would just like to pass on the biggest thank you that words can express. We have been sadly very affected by Covid 19, my son suffers from chronic liver failure and has had to shield from early March 2020. My husband also lost his job of 14 years. It became a really awful situation of suddenly having no income, a very sick child along with another younger child to support. This was a situation totally out of our control and the battle continues!!! We are so very grateful that at a time of year that should be happy (and we were all struggling), that you all did something so generous when like us I am sure you all had daily struggles too.

A card cannot express how grateful we are, but I had to write how touched we were that our Parish that we live in helped!! All of our love to you all... The Family”

So, everyone please know that what you did was so needed and so appreciated and thank you And to the family who shall remain nameless, if you are watching today or reading this note then thank you so much for taking the time to send this card of thanks to our Parishioners; whilst we do not do it for thanks, it is always nice to know that our efforts are making a real difference; we wish you all the best and hope things start to improve soon for you.

So back to today..... as we look forward at the first half of 2021, it is becoming increasingly clear with the advent of the new COVID strains that although thankfully we can see light and optimism due to the vaccine roll-out; there are still many challenges ahead. With that in mind and looking forward to the Easter Break, we start once again to think about our struggling families. Thankfully, we already know that the free school meals scheme will support them with the basics during the Easter Break in Nottinghamshire, but we thought it would be a great idea to do an Easter focused campaign where again we could provide our families with Easter themed goodies to bring them a little joy over the break and to let them know they are still thought of and supported. As at Christmas they are unlikely to buy these little extras themselves and that is where we come in.

So once again we would like to reach out to our Parishioners for some help for these families...

Now, before we ask I would like to re-iterate what I said in November; many people are suffering particular hardship this year and we are all endlessly asked to support various causes so if you are realistically unable to help then please do not do anything to support this that would be to the detriment of yourself or your family..... and please do not feel guilty about that decision either; we can all help at different times and we all need help at different times... if we just do what we can when we can then that is more than enough.

For those in a position to and would like to help, our idea is that between now and mid-March we each order between 1 and 3 Easter themed items to add to the collection (you can only eat so much chocolate so we don't need to collect as much as we did at Christmas – although the children may disagree 😊).

I just want to re-iterate at this point we are looking to collect only 1-3 items each please. It will be tempting to collect or provide more but this is a smaller campaign and we need to also be cognisant of the load on the school team in co-ordinating distribution as well – so please no more than 3 items each.

One of our parishioners who is already aware of this collection suggested that maybe we should put easter cards in our collection bags with best wishes or messages to our families – I think this is a nice idea, but I don't think we should request it from everyone, cards are expensive..... but if you would like to do something of this ilk then please do, I am sure it would be warmly received.

The collected items will then be passed over to the Head at the local school on Wednesday 24th March who will review what we have collected and distribute it fairly amongst our local children and families across the villages. These goodies need to be able to be carried home so if you could collect your items in bags then that would be really helpful.

So, what are we looking to collect?

We are looking to collect Easter themed items – remember nothing needing refrigeration or with a short used by date please.

Please add whatever you find to your shopping list that would fit under an Easter theme but to give examples of the sorts of items we are talking about – Easter eggs, Easter Logs, Easter cupcakes, mini eggs, walnut whips, crème eggs, hot cross buns, Malteser easter bunnies, even dried Easter themed baking packs you can buy with all the ingredients in to make your own muffins/cakes – these would be nice as they are also something for the family to do together. (Let's face it anything chocolate counts at Easter 😊)

It might be nice to buy the odd thing for mum and dad too – maybe a bottle of wine, some nuts or chocolates perhaps.

Please collect as many items as you want, up to 3 each, BUT if you can only afford a single chocolate bar then that's still that fantastic and will still make a huge difference. We must remember that these children and families are struggling, so everything helps!!!

I know times are difficult and we all get asked to support so many schemes, but if you can help it would be greatly appreciated.

We have arranged 4 drop-off points on Tuesday 23rd March in Langar, Granby, Colston Bassett and Cropwell Bishop, a huge thank you to Robin, Maureen, Hilary and Jackie for offering their services and houses to receive items for the collection.

Thankyou everyone for your consideration.

When and where do I have to drop them off?

Please drop all items you have collected to one of the following locations on Tuesday 23rd March. If you need directions for a specific drop off point phone numbers are attached below.

- Langar Church Porch between 2pm - 4pm
- Maureen's house at Granby (01949 850441) between 2pm - 4pm

- Jackie's House at Colston Bassett (01949 81476) between 9am - 4pm

What should I put what I collect in?

As outlined earlier please put them in bags that the families can use to carry their items home.

What shall I do if I have collected some items, but I cannot deliver them myself to the collection point?

Do not worry, write to katharinebacon@hotmail.com and let us know and we will arrange for someone to collect them from you.

I have another question who can I contact?

Please email to katharinebacon@hotmail.com

WATER AID APPEAL

While we face a particular challenge at the moment, we should not forget the ongoing basic challenges facing less developed countries all the time. That's why we have encouraged support for Water Aid during Lent for many years and are doing so again this year.

On their website, WaterAid state, "Clean water, decent toilets and good hygiene are basic human rights. They should be a normal part of daily life for everyone, everywhere – but they aren't. That's why we're here."

Visit their website www.wateraid.org/uk/ to read more about their work.

To donate to the charity through our appeal, visit the giving page on the Parish website: www.wivertoninthevale.co.uk/water-aid or alternatively send a cheque payable to Water Aid, directly to our Parish treasurer, Max Jordan.

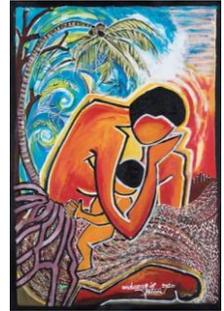

Thank you!

WORLD DAY OF PRAYER – 5th March

Each year, World Day of Prayer focuses on a Theme and a Country. The theme for 2021 is **Build on a Strong Foundation** and the country is the archipelago in the South Pacific constituting the nation of Vanuatu. Visit the WDP website for further information:

www.wwdp.org.uk/2021-theme-and-country-vanuatu/

We will be holding a live online World Day of Prayer Service at 7pm on Friday 5th March on Zoom and would love you to join us. If you would like to attend, please contact Ann Mansell on tel: 0115 9892770 or email: ann.mansell@wivertoninthevale.co.uk as soon as possible for zoom details and service booklet.

JOHN SPENCE

It is with sadness that we pass on the news that John Spence passed away on 20th February. John, who lived in Cropwell Butler with his wife Ruth, was a much-valued key member of the Tythby church congregation, and Secretary of the PCC until the recent amalgamation of the Parishes. His encyclopaedic knowledge of church law and history were invaluable, but he will be missed for so much more than this! There will be a small invitation only funeral for him on Wednesday 3rd March. This will be recorded and made available for others through the Parish website after the event, together with details of charities the family wish to support through any donations. In due course there will be a memorial service. Please remember Ruth and their sons David and Andrew in your prayers.

TIME TO PRAY

God of love, help us to return to you – towards that place where we know there is light and grace and forgiveness.

God of love, give us ears to hear you speaking – to listen to you in these soul-destroying and depressing times.

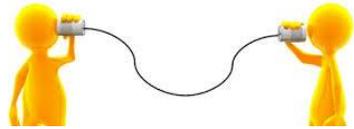

God of love, enable us to rediscover your truth passed on from age to age – to avoid arrogance that we know better and to learn from the past.

God of love, give us a vision to follow your leading in times of great change – to proclaim the Gospel afresh in this generation, to know 'Jesus Christ is the same yesterday and today and for ever'.

As spring flowers appear, may we be blessed and refreshed in this 'springtime of the soul', as we journey together towards Holy Week and Easter, the Cross and the Empty Tomb. In Jesus Christ's name we pray.

IT'S GOOD TO TALK!

In these strange and worrying times, we realise that not everyone has someone to talk to, or that they may have concerns they'd rather not express to their nearest and dearest. If that's you, please feel free to give me a ring on 0115 9894836. If I'm not in, leave a message and I'll get back to you. We're all in this together! Hilary Tabron, RLM, Pastoral Care.
